STATIONERY

The letter heads, note heads and envelopes have the above design in three colors—red, blue and black. The above is the proper size for letter heads. The design for note heads is smaller, while that for envelopes consists of the circular design only, with proper lettering.

The paper for letter heads and note heads is a No. 1 bond, while that for envelopes is an extra quality XXX pure white.

The quality of the paper, the artistic design, and the fact that they are cleanly printed in three colors, places them in a class above anything that is now offered.

We mail sample on request.

## OUR POLICY

We offer no fictitious inducements such as discounts, commissions or premiums. Our inducements are honest goods, fair prices, prompt and efficient service.

We buy the very best values in raw materials, manufacture them in the most practical and economical manner, and sell by catalog with the least possible expense. These factors sum up the cost of the goods and to this we add a small reasonable profit.

You take no risk whatever when dealing with us, our goods are shipped on approval. See our liberal conditions. Our honest straight forward terms, allowing you the privilege of subjecting the goods to an actual test and examination before paying for them, should not fail to command favorable consideration.

## OUR SALESMAN

Our catalog is our only salesman. It costs ten to fifteen per cent to sell goods through traveling representatives and it stands to reason that no firm can afford to sell through them unless the expense incurred is added to the cost of the goods. This means that the purchaser pays the expenses—salaries, commissions, car fare, hotels bills, incidentals, etc. All this extra cost is without any advantage, because it is impractical to show more than a small per cent of made up samples, and that does not guarantee the most essential things—workmanship and fit. After the sale is made the samples are taken up by the representative. When you receive the goods you have nothing for comparison. By our method, we submit samples when practical. You have the cut in catalog for comparison. We guarantee quality, workmanship and fit, to the extent that you may return the goods if they do not come up to your expectation. The saving resulting from our method goes to you either in reduction of price or in higher quality of goods.

We eliminate all unnecessary expenses that increase the cost only and not the value of the goods.

We have no one to talk for us but satisfied customers. Our success depends upon the satisfactory service we give them, and their recommendation to others. The more we please, the bigger our establishment is bound to become. Therefore you can depend on our sending you goods of exceptional value. Our business has steadily increased since its organization and we shall continue to give service that should warrant our continued growth.

We have but one price, which is the lowest and net. Discounts are deceiving and do not indicate low prices. A subject-to-liberal-discount catalog affords an opportunity for the manufacturer to quote best discount only when he thinks it necessary. Don't take chances! Let us have your order.

---

## PREMIUMS

We do not offer premiums, because they must be figured in the cost of the goods, and when something is bought for the Homestead, it pays extra for something absolutely unnecessary and of benefit only to some individual ordering.

It is a crude and dishonest way of offering graft to unscrupulous committees or buyers, and something the self-respecting man will scorn.

The honesty of a lodge supply house may be questioned if it offers premiums, and that house assumes the committee or individual subject to graft.

## TERMS AND CONDITIONS

---

ALL PRICES IN THIS CATALOG ARE NET

---

### NO DISCOUNT

All orders for banners, badges, or any goods with name and number of Tribe engraved or printed thereon, or goods made to order **MUST BE ACCOMPANIED BY AT LEAST ONE-FOURTH CASH.** Such goods can not be returned if they are as represented and order has been filled correctly.

All other goods sent on approval if ordered under seal of Tribe, or if order is signed by a committee of three who have been appointed and authorized to purchase, provided parties ordering agree to prepay express or freight charges in case goods are returned. Unless these conditions are complied with goods will be shipped C. O. D. subject to examination.

To Tribes unable to pay all cash we shall quote special time payment terms if advised what goods are wanted, how much Tribe can pay at the time of ordering and number of members in good standing.

If goods are to be sent by mail, proper allowance must be made for postage and amount included when remittance accompanies the order. Surplus postage will be returned. We make this requirement in order to obviate the necessity of opening accounts for very small amounts.

We make no charge for boxing or drayage.

We cannot stand responsible for delays of freight shipments. Freight is usually uncertain and can not be depended upon, therefore we recommend that all goods, except furniture and paraphernalia, be shipped by express.

Always write your name, town, county and state plainly, and specify how you want goods shipped. If there is no express or freight office at your place do not fail to give correct shipping point.

Make all remittances by **DRAFT, P. O. MONEY ORDER OR EXPRESS MONEY ORDER.** We can not accept personal checks as it costs from 15 cents to 25 cents each to collect them.

Fraternally and courteously,

Catalog No. 177

### REGISTER MAIL PACKAGES

We cannot stand responsible for loss of mail. Valuable packages should be registered—the fee is only ten cents. Include fee when ordering. **PACKAGES NOT REGISTERED WILL BE MAILED AT PURCHASER'S RISK.**

# IMPORTANT POINTS CONCERNING COSTUMES

## NEW DESIGNS

On the pages following will be found the most extensive and pleasing assortment of new costumes ever offered. These were designed by us, and we have spared no pains to make them all that could be desired. Our extended experience with Indian costumes has aided us materially in the work. In each outfit there is a blending of designs which makes them peculiar to that outfit, and which sets them apart as especially adapted for each other.

## ABOUT DESCRIPTIONS

Costumes for Red Men cannot be minutely described. "Why," you naturally ask. It is because of the great variety of trimmings and materials used and the many shades of these in order to produce an authentic costume for each particular character. Hence our descriptions of trimmings and materials must be considered as general rather than specific. *We shall always make those combinations of materials and trimmings that will produce the best and most satisfactory results.*

## THE FIT

We make our costumes 42-inch chest measure. These look well on a man whose chest measure is from 36 to 42 inches. Our experience

has taught us that a costume with larger or smaller chest measure is seldom necessary. When required with order, however, we shall make them either larger or smaller without extra charge.

## COSTUMES IN A SET

A set of costumes is generally composed of the following:

- 1 Costume for Prophet
- 1 " " Sachem
- 1 " " Senior Sagamore
- 1 " " Junior Sagamore
- 2 Costumes for Sannaps
- 4 " " Warriors
- 4 " " Braves
- 2 " " Scouts

The Costuming of Guard of Wigwam and Guard of Forest is optional.

The Keeper of Wampum and Chief of Records are generally not presumed to wear costumes.

## SAMPLES

We are always pleased to submit samples on request. Samples of material give some idea of a costume, yet we prefer to send a complete costume for inspection. You can then see for yourself just what it is. Should you prefer, we can send you a complete outfit of your own selection on approval, provided compliance is made with our terms on page 6.

## MANITOU OUTFIT

We manufacture this—our most elaborate outfit—in two grades, viz.: Grades C and B.

Grade C is made of leather (Prophet, white—remaining 15 costumes exact imitation of smoked tanned buckskin), soft and pliable; gorgeously trimmed with fancy highly colored felt applique and leather fringes and more than nine hundred metal ornaments.

Price for 16 Complete Costumes.....\$308.95

Grade B is made of tan colored Indian cloth (Prophet, white), imitation of genuine leather; trimmed same as Grade C, except that the fringes are of felt instead of leather.

Price for 16 Complete Costumes.....\$171.50

The above outfit has each article listed separately on pages 10 to 13. A full description of the headdresses, wigs and moccasins may be found on pages 52, 53 and 55, under the same number as listed in the outfit.

We list leggings in preference to trousers, because they are more convenient; as the team is always changing, the same trousers cannot be made to fit the new members. Our leggings are adjustable and can be made to fit any one. They are easily put on and taken off, and as they are worn over the pants, are much cooler than trousers. The legs are separate and are fastened to the suspender buttons or belt. However, we can furnish trousers in case they are preferred, either made in average sizes or to measure, at the following additional charge:

Grade C, white; per pair.....	\$3.10
Grade C, tan; per pair.....	1.75
Grade B, per pair.....	.20

### TESTIMONIAL

“The outfit reached us O. K. and we wish to thank you for your promptness in filling the order, and the excellent quality of goods. We are entirely satisfied and feel that we have saved 30% by placing the order with you.”

## DELAWARE OUTFIT

We have designed this outfit especially for those who fancy beaded costumes and pendant belts. We manufacture them in three grades, viz: Grades C, B and A.

Grade C is made of leather (Prophet white—remaining 15 costumes exact imitation of smoke tanned buckskin), soft and pliable. The four costumes for Stump Officers are elaborately beaded in beautiful contrasting colors and trimmed with braids and leather fringe. Those for Sannaps, Warriors and Braves are trimmed with fancy applique, braids and leather fringes; while those for Scouts have belt, pendants, breast pieces, collar, cuffs and leggings stripes of velvet, trimmed with braids, metal ornaments and leather fringe.

Price for 16 Complete Costumes.....\$261.40

Grade B is made of tan colored Indian cloth (Prophet white), imitation of genuine leather; trimmed same as Grade C, except that mercerized sateen is used instead of velvet on Scout's costume.

Price for 16 Complete Costumes.....\$133.70

Grade A is made of leather colored Indian duck (Prophet white), trimmed same as Grade B.

Price for 16 Complete Costumes.....\$126.20

The above outfit has each article listed separately on pages 20 and 21. A full description of the headdresses, wigs and moccasins may be found on pages 52, 53 and 55 under the same number as listed in the outfit.

A very pretty combination outfit may be selected from the above by ordering the costumes for the four Stump Officers from Grade C and the other twelve costumes from grade A or B.

We list leggings in preference to trousers, because they are more convenient; as the team is always changing, the same trousers cannot be made to fit the new members. Our leggings are adjustable and can be made to fit any one. They are easily put on and taken off, and as they are worn over the pants, are much cooler than trousers. The legs are separate and are fastened to the suspender buttons or belt. However, we can furnish trousers in case they are preferred, either made in average sizes or to measure, at the following additional charge:

## HURON OUTFIT

We manufacture this outfit in three grades, viz.: Grades C, B and A.

Grade C is made of leather (Prophet white—remaining 15 costumes exact imitation of smoked tanned buckskin), soft and pliable; the shoulders, breast and knees trimmed with various Indian designs of highly colored felt applique and metal ornaments, other parts with points of highly colored felt applique and leather fringes.

Price for 16 Complete Costumes.....\$230.10

Grade B is made of tan colored Indian cloth (Prophet white), imitation of genuine leather; trimmed same as Grade C, except with felt fringes instead of leather.

Price for 16 Complete Costumes.....\$112.60

Grade A is made of leather colored Indian duck (Prophet white), trimmed same as Grade B.

Price for 16 Complete Costumes.....\$103.70

The above outfit has each article listed separately on pages 28 to 31. A full description of the headdresses, wigs and moccasins may be found on pages 52, 53 and 55 under the same number as listed in the outfit.

We list leggings in preference to trousers, because they are more convenient; as the team is always changing, the same trousers cannot be made to fit the new members. Our leggings are adjustable and can be made to fit any one. They are easily put on and taken off, and as they are worn over the pants, are much cooler than trousers. The legs are separate and are fastened to the suspender buttons or belt. However, we can furnish trousers in case they are preferred, either made in average sizes or to measure, at the following additional charge:

### TESTIMONIAL

"Inclosed find check for \$112.60 for Huron outfit. The costumes came in Sat. the 25th and I took them to the Hall and there were about fifty Brothers who looked at them. Everyone is highly pleased with them and last night, our meeting night, every chair in the lodge room was taken and standing room was at a premium. We gave three adoption and one warrior's degree. We have two degree teams, one Chief's degree team and one Past Sachem's degree team. The Chief's degree team gave two adoption degrees and the Past Sachem's team gave one adoption and one warrior's degree. There were several compliments paid upon the costumes last night and every Brother was highly pleased with them. They are far better than we expected for the amount paid."

## TONAWANDA OUTFIT

We manufacture this outfit in three grades, viz.: Grades C, B and A.

Grade C is made of leather (Prophet white—remaining 15 costumes exact imitation of smoked tanned buckskin), soft and pliable; trimmed with highly colored fancy applique cloths, metal ornaments, genuine fur and leather fringe.

Price for 16 Complete Costumes.....\$218.45

Grade B is made of tan colored Indian cloth (Prophet white), imitation of genuine leather; trimmed same as Grade C, except has highly colored felt fringes instead of leather.

Price for 16 Complete Costumes.....\$103.05

Grade A is made of leather colored Indian duck (Prophet white), trimmed same as Grade B.

Price for 16 Complete costumes.....\$87.75

The above outfit has each article listed separately on pages 33 to 36. A full description of the headdresses, wigs and moccasins may be found on pages 52, 53 and 55 under the same number as listed in the outfit.

We list leggings in preference to trousers, because they are more convenient; as the team is always changing, the same trousers cannot be made to fit the new members. Our leggings are adjustable and can be made to fit any one. They are easily put on and taken off, and as they are worn over the pants, are much cooler than trousers. The legs are separate and are fastened to the suspender buttons or belt. However, we can furnish trousers in case they are preferred, either made in average sizes or to measure, at the following additional charge:

Grade C, white; per pair.....	\$3.10
Grade C, tan; per pair.....	1.75
Grade B, per pair.....	.20
Grade A, per pair.....	.20

### TESTIMONIAL

"I received your letter of the 9th (Tues. evening of this week) and the bill for goods ordered. The costumes, together with the balance of the order, came this morning, and I wish to say that in promptness you certainly broke the record in forwarding these goods, considering it is a miscellaneous order, and not an item was omitted. We wish to say that the brothers are delighted with the costumes and consider them well worth the money."

## TAWAWA OUTFIT

We manufacture this outfit in two grades, viz.: Grades B and A.

Grade B is made of tan colored Indian cloth (Prophet white), imitation of genuine leather; trimmed with bands of fancy colored Indian cloths, highly colored felt fringes and metal ornaments.

Price for 16 Complete Costumes.....\$64.85

Grade A is made of leather colored Indian duck (Prophet white), trimmed same as Grade B.

Price for 16 Complete Costumes.....\$58.05

The above outfit has each article listed separately on pages 43 to 46. A full description of the headdresses, hair and moccasins may be found on pages 52, 53 and 55 under the same number as listed in the outfit.

We list leggings in preference to trousers, because they are more convenient; as the team is always changing, the same trousers cannot be made to fit the new members. Our leggings are adjustable and can be made to fit any one. They are easily put on and taken off, and as they are worn over the pants, are much cooler than trousers. The legs are separate and are fastened to the suspender buttons or belt. However, we can furnish trousers in case they are preferred, either made in average sizes or to measure, at the following additional charge:

Grade B, per pair.....\$0.20  
 Grade A, per pair..... .20

## IMPORTANT INFORMATION ABOUT SASHES

We have not classified sashes under separate heads as "Members' Regalia, Appointed Chiefs' Regalia, Elected Chiefs' Regalia, or Past Sachems' Regalia," but have listed them simply as "Regalia," and any sash not conflicting with "Laws on Regalia" will answer for above purposes.

The Appointed Chiefs consist of First and Second Sannaps, Guard of Wigwam, Guard of Forest, four Warriors and four Braves; total twelve.

The Elected Chiefs consist of Prophet, Sachem, Senior Sagamore, Junior Sagamore, Chief of Records and Keeper of Wampum; total six. Tribes may by by-law provide for election of a Collector of Wampum, in which case there would be seven.

When ordering sashes, do not fail to state if for members, Appointed or Elected Chiefs or Past Sachems, as this will determine if trimmings shall be gold or silver and will insure use of the proper emblems, etc.

When Members Chiefs Degree Sashes are ordered, except 6671, we always line some of them with green and some with blue so they can be reversed and used for Adoption and Warriors' Degrees. The "Law on Regalia" requires that sashes for Warriors' Degree shall have emblems, hence in order to have sashes according to law, those lined with blue must have the proper emblems on the lining. Our metal embossed emblems at 50 cents per dozen, are the most desirable for this purpose. When ordering, include proper extra remittance for these emblems.
