DEAR CUSTOMER:—

We are sending you this book because we know you will be interested in some of our many offers. It contains such selections from our new Spring Catalog as we think will now concern you most—"Spring Suggestions" to supply indoor and outdoor needs, recreation needs and personal, every-day ready-to-wear needs. And the best of it is that all are obtainable without adding one cent to your regular living expense.

You are sure to find something in this book that you would like to have; something that would make that living-room more livable; that bed-room cozier and more comfortable; that dining-room cheerier and more inviting; that kitchen more convenient and that laundry more agreeable. Perhaps, too, you need a new dress, a new coat, a waist, or a skirt, and perhaps undermuslins. Most likely every member of your family needs something we can supply.

To get them, you need only to purchase your household supplies—foodstuffs, soaps, toilet articles, drugs, notions, etc.,—direct from us, the manufacturers. You will get not only the same quantity and quality of fresher supplies that you would get at the store, but you get furnishings and clothing besides as a bonus on factory-to-family dealing.

Are you well acquainted with the list of Larkin Products? Do you realize how many there are? We now offer nearly 650 of them, all high-grade, reliable articles that every housekeeper uses, some of them every day. If you are keeping house you must buy at least \$10 worth of the wide range of things we offer every month. By buying them from us—the makers—you can obtain many of the articles of Premium Merchandise shown in this book without increasing your expense at all.

Won't you take the enclosed order blank right now and go through the list of Products very carefully and make up an order for everything that you may have use for during the coming month? You can order with them the Premium Merchandise your purchase of Products entitles you to as a bonus. If you prefer to order Products alone, you will find this fully explained on Page 24. On the other hand, if you want a certain article of Merchandise without Products, send us the "sold alone" price in the offer and we will gladly send you the article.

Always keep in mind our 30 Days' Free Trial offer. Remember that we will send \$10 worth of Products and any Premium Merchandise given therewith, and that this offer is always open to you. May we hear from you soon?

Respectfully yours,

Larkin Co.

P. S. Have you thought about organizing a Club-of-Ten? Now is a good time to start. Just to refresh your memory, won't you read the page which follows this one?

An Easy-Payment Way to Benefit by Larkin Dealing

You can get Larkin Products and Premium Merchandise and pay for them in small, easy amounts, by joining or forming a Larkin Club-of-Ten. There are thousands upon thousands of Larkin Clubs. You will find them in every town, village and countryside in the United States. Women in every station of life have organized them and act as Secretaries.

This is the plan of the club. Only ten members are needed.

These members combine in sending in ten orders at intervals of three or four weeks, or oftener. Each member orders, each time, Larkin Products of any amount from \$1 up, to suit herself. For every \$1 in cash each member pays, she may order \$2 worth of Products at list-prices, or \$1 worth of Products and any Premium Merchandise given with that amount. A member usually takes her bonus in Premium Merchandise at one time during the series of ten orders, thus obtaining one, or two, more valuable articles, instead of taking a less valuable one each time Products are ordered.

Big Rewards That a Larkin Club-of-Ten Secretary Gets

It will pay you to join a Larkin Club-of-Ten. It will pay you better to organize one yourself. You can easily organize and conduct a Club and you will receive worth-while Rewards from us for doing so. Many find a delightful pastime in looking after one. There is no easier way to add furnishings to your home than by organizing and conducting a Club-of-Ten and getting the furnishings as your Rewards. It will also enable you to directly reduce your living expenses, if you choose to take your bonus in the form of a double quantity of household supplies.

Your Reward as Secretary will be at the rate of one-tenth of the money paid except when the Products bought (figured at list-prices) amount to less than the money paid. Then the Reward is one-tenth of the list-value of the Products bought. Rewards are paid in Products or Premium Merchandise and make a very gratifying return for the small effort expended.

There is nothing difficult about starting or conducting a Club. You can begin at once to get the members. Or we will help you, if you will write for a supply of our Cozy Home Helper Booklets to give to your friends. These booklets picture and describe our most popular offers and explain the advantages of Club - Membership. State how many booklets you can use.
